SAT test day

- Bluebook exam setup must be done before test day
- Setup creates the admission ticket
- Sleep matters more than last-minute cramming

Parent tip: Handle logistics (ride, breakfast, alarms) so your teen can focus.

Dec SAT registration closes

- Regular deadline for the Dec 5 SAT (estimated)
- Nov 7 scores arrive about 2 weeks after the test
- If a retake is likely, register before scores arrive

Parent tip: A missed deadline means waiting until spring. Put it on the family calendar.

Thanksgiving break + Dec 5 SAT

- A week off school right before the last SAT of 2026
- 1 full practice test + daily review is plenty
- Rest counts too

Parent tip: Protect 1 to 2 focused hours a day. Keep the rest of the break free.

HOW YOU CAN HELP

3 things that help more than nagging

1. Own the logistics

Dates, registration, rides, devices.

2. Ask about process, not scores

"What did you learn from your mistakes?"

3. Protect sleep

Especially the whole week before the test.
